## Who are friends?

Friends of Grampound and Creed Recreation Ground and Village Hall are people who have a personal connection to the area. They want to help us make it better for all those using its services and for those who will make their great memories there in the future.

## What do friends do?

Friends help us raise money to maintain the hall, its grounds and the facilities.

## Why do we need friends?

Grampound and Creed Recreation Ground and Village Hall was originally given in trust in memorial of WWI, then rebuilt in 2004 to the current building that stands today. The hall now belongs to us all and although a small amount of money was received for ongoing maintenance, we know the future will, over time require more money for it to continue to be a clean and modern community hub.

## What do I get?

We can keep you in touch with news and events from the hall. In addition to this you will receive invites to all events in the hall a week before they are released.

## How can I join Friends?

Fill in the form and hand it in at the Village hall.
